Improvement CD2	\$28,269.86
Lease:	\$27,269.39
Money Market CD:	\$10,360.16
Self Insurance CD:	\$31,448.82

Harbormaster:

No Report

Membership:

An application for membership has been submitted from Richard & Juanita Spinney.

Racing:

The annual 18 mile race drew good attendance this year with 7 boats having participated. The next big racing event planned starts on October 1st & will be Moonlight Race #2 with a Skippers meeting at 7 pm.

House & Grounds:

The Ice machines are still giving us grief but we believe the repairmen will eventually prevail. Butch Neely has graciously taken the time to repair the anomalies on our recent sewer pump system & reports that all is up and running once again. Thanks Butch! There is a **CLUB WORKDAY** scheduled for **October 1st at 10 AM** – all those willing to donate a little time and muscle would be deeply appreciated. Special Thanks goes out to Jason Tieman for trimming up the trees on the club property – it looks great!

Cruising:

Gene Kohrman gave us a report on the recent 18 mile race. There are no official cruises scheduled for October.

Socials:

No Socials scheduled for the month of October & Suzie appears to be smiling & is receiving a much needed break.

Safety:

Larry Hevrin has suggested that the First Aid Kit located in the clubhouse be restocked & is willing to donate some supplies for it. Jason Tieman has also volunteered to assist in stocking the kit with supplies.

Junior Sailing:

Mr. Vera sent in a note reminding the Junior sailors that there was a racing event at Seabrook for the end of September. This is a 2 day event in Kemah. Call Paul Vera for details at 963-3525.

PIC Report:

Mike Wise attended & reported that most of the meeting involved the PIC's deficit budget. The commission also discussed erosion issues on the island as well as issues regarding the Golf Course.

Old Business:

Pat O'Quinn has agreed to find a good plumber to take care of the ongoing plumbing issues in the clubhouse.

New Business:

Mr. Terrill Adkisson has purchased a "new" boat and has graciously offered to donate his 16' Toronado w/ trailer to the Junior Sailing program in the club. Pat O'Quinn made a motion to accept with a 2nd by Jerry Singleton. The club thanks you Terrill!

The General Meeting adjourned at 8:08 pm.
